Chapter 5: Natural Heritage, Recreation and Amenity

Caibidil: Imleabhar 1 » Caibidil 5: Oidhreacht Nádurtha, Áineas agus T...

Reading the Consultation documents it appears to be zoned LDR rather than recreational/amenity. We need see it zoned recreational / amenity to ensure it becomes part of network of greenways linking up various parts of the city.

There is also a social aspect to this boreen as it has become a place where residents from Crestwood, Tirellan, Ballinfoile, Coolough and beyond regularly meet while out walking this greenway.

Príomh-thuairim:

Coolough Boreen has been incorrectly included in a parcel of land zoned LDR.

Príomh-iarratais:

Rezone it as recreational

Main reasons:

Historical significance and it is now an established pathway in daily use.
